

Data privacy day 2022

28 January 2022, Friday

Data Privacy Day is an international event that occurs every year on 28 January. The purpose of Data Privacy Day is to raise awareness and promote privacy and data protection best practices.

Data Privacy Day promotes events and activities that stimulate the development of technology tools that promote individual control over personally identifiable information (PII), encourage compliance with privacy laws and regulations; and create dialogues among stakeholders interested in advancing data protection and privacy.

This year we are celebrating Data Privacy Day jointly with Data Security Council of India (DSCI – A NASSCOM Initiative).

We are coming with bunch of activities. Do join us to celebrate Data Privacy Day together.

Take a security pledge and get a certificate from us. The pledge link will remain active since 00:01 Hrs – 23:59 Hrs on 28 January 2022. Anytime you can take the pledge at your convenience.

You can also join our special pledge drive with a well-marked time for the following groups:
