General Advisory : Cyber Security Advisory for Republic Day

Dear CISO,

As per historical trends, attacks on Indian cyberspace significantly increases on dates of national importance such as 26th Jan and 15th Aug etc. This trend may continue this year also. In order to keep our cyber space safe and secure on such occasions, there is a need for enhancing our cyber security posture.

2. Kindly find attached documents about Cyber Security Advisory on Incident Response and Incident Report form for your information and necessary action please.

3. Any Cyber Incident at your organisation may please be shared with email id ir@nciipc.gov.in.
